Chapter One

Author's Notes:

I really hope you like it, I wrote it with love :)

His skin feels like no other. There is no real word for what I call him in my mind. Lover, friend, bandmate...none of those quite fit, do they? There is no name that could describe the whole of what he means to me. Duff is a nice name but it falls so short of everything I want to say about him. But when we are in bed and I'm pressed against his back emotion is what seals us together; love is what keeps us sane in this ugly, crazy world.

And what we feel needs no word to describe it.
